Professor Joshua Lederberg
Department of Genetics
Stanford University School of Medicine
Palo Alto, California 94305

Dear Mr. Lederberg:

Thanks for sending a copy of your review of the Haldane book.
It was amusing and perceptive. However, I have one correction: besides
"Cancer's a Funny Thing", Haldane published at least one other poem
many years ago, a copy of which I enclose. Unfortunately, it is not
half so good as the former.

Will you have the time now to take up your idea of collecting
Haldane's essays?

With kind regards,

Sincerely yours,

Michael A. Bronson

Assistant Director
